A3 LANDSCAPE · UNDERSTAND

01 THE PARADOX

Capability Push versus Market Pull

Both perspectives claim priority in innovation decisions.

02 TWO COMPETING CONVICTIONS

A · CAPABILITY PUSH

Technological strengths should drive future innovation.

B · MARKET PULL

Customer needs and market evidence should drive innovation.

03 WHY BOTH ARE VALID

Capability Push: enables breakthroughs beyond current demand.

Market Pull: improves relevance, adoption and customer value.

04 SHARED VALUE-CREATION CHALLENGE

Create demonstrable customer value from technological strengths,

while retaining room to explore future opportunities.

05 KEY INSIGHTS

Different time horizons and success criteria.

Both convictions are legitimate; neither always dominates.

06 ORGANISATIONAL IMPLICATIONS

Tensions across R&D, product management, sales and service.

Different expectations about priorities and resources.

07 QUESTIONS FOR NEXT STEP

Which response directions fit our strategic ambition?

What assumptions should we test before scaling?
